Information for Workshop Presenters

The cornerstone of the Conference is its numerous and varied educational workshops. For many attendees, the Conference offers access to information and ideas that might not otherwise be available. We encourage proposals that take a fresh approach to familiar topics and those that introduce new ideas and concepts, that are in-line with the Aging and Long-Term Department's Mission and Vision. New proposals will be given priority over those that may have been offered in the past. Proposals for sessions to be co-presented in Spanish, Diné, Tewa, Tiwa, Towa, Keres or other native languages are also welcomed.

Interested presenters must submit a proposal form. All presenters are welcome to attend Conference events on the day(s) of their workshop(s) at no charge.

Presenters may not use workshops to promote businesses or political candidates or sell products.

A conference registration packet will be provided for all presenters.
